

The warmth of the south in an oasis of greenery!

"In its own haven of peace, which has something of a botanical garden about it, Le Brasilia was created by a firmly-established family from the South of France, and is an authentic and inviting location. It has also been an amazing adventure that has lasted more than 50 years! Driven by a passion based on creativity and demand, Le Brasilia encompasses an area of 15 hectares on the seaside. As has always been the case here, our attention to detail, service and availability are core principles, paving the way towards ensuring you enjoy a wonderful holiday with us. As usual, all of the facilities at Le Brasilia will be open from opening day to closing day. So come and pay us a visit... at your home!"
