HAS BEEN SHAPED BY FAMILY OWNERS, OVER SEVERAL YEARS, OVER DECADES, AND SOMETIMES EVEN OVER GENERATIONS.

Each of these open-air hotels is different, unique, with a veritable soul and its own spirit... which means that our home is also, and above all, your home.

Our Yelloh! Village campsites are more than just somewhere to spend a holiday, they are places where so much care, attention and consideration goes into every day, depending on the mood, the time, the place and depending on you as well! Each hour offers us something different to do, each week, each season offers us a new challenge.

We are craftsmen, forging, polishing and improvising, creating the perfect conditions for your happiness, and all with one single purpose in mind: to see you together, serene, revitalised, happy... with your favourite other, with your family or with your friends.

Don't you agree, we have the best job in the whole world?! 👳

WE HAVE BEEN lina happiness

Quality. authenticity and family spirit Through these values. all our teams strive to preserve the soul of Brasilia.

# WELCOME TO BRASILIA

Since 1964, Le Brasilia has been a setting in which nature rules; one in which it is respected and cherished, and which is combined with a family atmosphere that is constantly attentive to the needs of all our guests.

These core values form the basis of what we do and our approach to doing it. Le Brasilia was born and brought up beneath the Catalonian sun, and is well-known as one of the best luxury campsites in Europe: one with a fine history that really knows what is expected and desired by the customers who come here: ality, convenience and availability, with kind staff o is there to assist you from the moment you ive until the moment you go home. joy your stay in Brasilia!

# **YOUR** SECURITY

#### **CAMPSITE RULES**

#### In the interest of all, we ask you to take note of the following points:

1) ANYONE WISHING TO ENTER OR STAY on the campsite must first go to the reception desk. Staying on the campsite means agreeing to abide by the campsites rules.

2) ANY NOISE THAT MIGHT DISTURB NEIGHBOURS must be avoided and silence is recommended between 11pm and 7am.

3) ONLY VEHICLES BELONGING to guests staying on the campsite are allowed into the campsite. The speed limit in the campsite is 10 km/h. The entrance to the campsite is closed at midnight and no movement by car or motorbike is allowed within the grounds between midnight and 7am, except until 6am on Saturdays, days of big departures (you can park your car in the public car park opposite the reception). In order to avoid incidents in high season, the use of scooters, bicycles and motorized vehicles is not allowed in the evening from 8 p.m. from the shopping aisle to Place Agora (with the exception of people with reduced mobility). We ask you to leave them on your pitch. It is forbidden to settle your tent, caravan or camper after 11pm.

Lying hoverboards are prohibited throughout the campsite.

At night, a security guard is on duty at the entry of the campsite while three others patrol the campsite. During the daytime, one security guard keeps watch over the entry and another one is on patrol. In case of emergency, you can contact the night guard by phone: •33 (0)6 10 75 23 72.

4) GUESTS MUST KEEP their equipment and property tidy on their pitch. Pitches must be left clean on departure.

Any action that may prove harmful or may interfere with the cleanliness, hygiene or appearance of the campsite is strictly forbidden.

It is forbidden to pitch tents in the gardens of the rental accommodations.

Any household rubbish and paper must be put in bin liners and placed in the large rubbish bins. Any large, bulky items should be broken down into smaller sizes. Please pay attention to the rubbish colour code. We ask you to respect the plants and flowers on the campsite. It is strictly forbidden to hammer nails in the trees or cut down any of the branches. It is forbidden to hang washing lines from and around all rental accommodations on the campsite.

#### 5) ACCOMPANY YOUR CHILDREN TO THE TOILETS AND MAKE IT CLEAR TO THEM THAT THE SANITARY BLOCKS ARE NOT PLAYGROUNDS.

6) SECURITY INDICATIONS: although beautifully situated between the river and the sea, Le Brasilia campsite is officially recognised by the town council as a possible flood zone. Therefore, we recommend that you be aware, in case of flooding, of the evacuation procedures clearly marked at the reception and on the information boards of all sanitary blocks (these measures only concern the evacuation of people, not tents, caravans, cars, etc.). Using coal barbecues in the campsite is forbidden by law. Only electric or gas barbecues are allowed. Cigarettes and matches are not to be thrown on the ground. Only electrical equipment and connections that conform to safety regulations are allowed.

The management of Le Brasilia may not be held responsible for any theft which occurs on the site. Please inform the campsite reception immediately if you notice anybody or anything suspicious. Though the campsite employs security, the customers of the site are asked to take all necessary measures for the safety of their property.

7) DOGS MUST BE KEPT ON A LEASH. They must not be left alone, even if on a leash. Their owners are fully responsible for their actions and must have the appropriate insurance and health certificates.

For the sake of all guests, it is obligatory that they are walked regularly outside the campsite grounds or inside the area reserved for this purpose. Letting dogs urinate on the pavement is strictly forbidden in the campsite.

Waste bags are freely available for you to <u>clean up</u> <u>after your dog</u> even in designated dog areas.

#### 1<sup>st</sup> category dogs are forbidden.

Second category of dogs must be muzzled and kept on a lead by an adult.

#### 8) THERE IS PLENTY OF WATER ON THE CAMPSITE,

however we ask you not to waste it. Do not wash your car with campsite water.

#### 9) ANYONE COMING TO THE CAMPSITE TO VISIT A

GUEST must first present themselves at the reception. Visitors' cars cannot enter the campsite (visits are not allowed after 8pm).

Daily visitors do not have access to the aqua park and cannot participate in campsite events.

10) THE AQUA PARK is strictly reserved to the campsite customers. **Children under 10** must be accompanied by an adult to access the pool. Please respect all the health and safety rules which apply to the aqua park.

These are displayed at the entrance of the aqua park. Long shorts /swim shorts (which go down to the knees) are prohibited in the pools. Only swimsuits and shorts are allowed.

11) THE «BRASIL-CLUB» DISCO is strictly reserved for the campsite customers. To enter the disco, the customers must show their I.D. at the disco entrance. Children under 15 years old are not allowed even if accompanied by their parents.

#### 12) ALL THE GUESTS MUST WEAR A NON-REMOVABLE WRISTBAND, from the opening of the campsite.

**13) PAYMENT OF THE BALANCE:** If not settled yet, your stay has to be paid latest 3 days before your departure from the campsite.

We thank you for respecting the above rules. And last but not least, we would like to wish you a very pleasant stay with us in Le Brasilia campsite.

#### SERVICES

#### Medical care

The doctor regularly visits the campsite (in high season), the doctor's surgery is inside the Mas. Appointment at reception, every morning from 8am. In case of emergency, please note that: first-aid kits are available at the reception, bar and aqua park. There are 2 defibrillators for first-aid in case of a heart attack. A defibrillator is located in the shopping alley, another at the swimming pool during the day and from 7 p.m. in the night guards' office in «Le Cube».

#### Amphibious wheelchair «Tiralo»

This floating wheelchair allows people with reduced mobility to access the beach and the sea and can also be used as a deckchair in the sand (thanks to its land mode). The rental is free of charge. For further information, please ask at the reception.

#### A coworking space located

upstairs, behind the Wine Cellar, is at your disposal to work in a peaceful atmosphere (with copier-scan and WiFi access).

#### About dogs

Dogs are welcome on the campsite and there are many facilities for them:

- a large area for their daily walk close to the beach (thank you for cleaning up after your dog - a bin is available at the entrance).
- a dog shower to clean them on the way back from the beach (close to the rubbish disposal area near the beach).
- 2 bag dispensers for dog droppings situated on the main market place and at the dog area's gate.

Dogs must be kept on a leash!

Letting dogs urinate on the pavement is strictly forbidden in the campsite.

#### Household Rubbish

There are 2 rubbish and recycling areas with specific sorting, located in «the Florida» area and behind

the Reception. Look at the map or notice boards to locate them.

Please respect the colour code:

- green for glass (bottles, glasses, etc).
- yellow for cardboard, plastic bottles,

newspapers, etc.

## Rubbish bags must be closed properly and placed in the wheely bins.

There is a container for used batteries situated behind the Reception.

Thank you for keeping the campsite clean.

#### 2/ PERPIGNAN Tourist Office +33 (0)4 68 66 30 30

A picturesque city centre with cobble stoned pedestrian streets, pastel coloured houses, little squares with refreshing fountains, the Castillet and the Citadel of the Kings of Mallorca, the «Arago Square» with its palm trees, «the Square de la Loge» and «the Maillol Paths», the flower covered banks of the River Basse, the «Promenade des Platanes», restaurants and «bodegas», the famous railway station celebrated by Dali...

#### 3/ COLLIOURE Tourist Office +33 (0)4 68 82 15 47

An idyllic place on the rocky coastline in the very south of France. This picturesque village is nestled in an authentic environment with its church tower rising out of the sea, its Medieval castle sheltered by a quiet bay, Catalan fishing boats languishing on the flat rocks, the typical multicoloured fishermen's houses, art galleries, charming restaurants where you will taste the region's famous anchovies (the most typical starter in Catalan gastronomy).

#### 4/ PORT-VENDRES Tourist Office +33(0)4 48 98 00 08

Leaning against the magnificent Albères mountains and sheltered in a natural bay, Port-Vendres has always been a coveted place because of its opening to the Mediterranean Sea. Many Phonician, Roman, and Greek sailors travelled to Port-Vendres and left behind a very rich historical heritage. Fishermen still practise several types of traditional fishing, especially fishing with the «lamparo» (it consists in attracting the fishes at the surface with the powerful spotlight of small boats called «lamparos») from May to September.

#### 1/Canet en Roussillon

The fishermen village with a botanical circuit and discover the fauna and flora of the lake of Canet/ St-Nazaire, Aquarium, the castle of the viscount of Canet.

#### 3/Collioure

The «Cellier des Templiers» (discover the high-class wines of Banyuls). The marine reserve of Cerbère-Banyuls, Notre-Dame de la Salette: nestled in the middle of oak trees, this gorgeous white chapel overlooks the Baillaury Valley between the Cap Béar and Banyuls: a succession of rocky creeks at the foot of the cliffs.

The return of the trawlers. Fish sale every morning in Port-Vendres from 8am until 10am from Monday to Friday (except on Bank Holidays).

**8/Castelnou** Visit of the castle and its fortifications, departure point for hiking and trekking.

#### 5/ BANYULS-SUR-MER Tourist Office +33 (0)4 68 88 31 58

Nestling in the foothills of the Pyrenees, Banyuls is a lovely old fishing village, with its quaint narrow streets, and also its magnificent vineyards.

#### 6/ CÉRET Tourist Office +33 (0)4 68 87 00 53

This picturesque town, sheltered by the Pyrenean foothills, seduces the visitor with its mediterranean way of life, its centenary plane-trees, its lively and animated boulevard The museum of Modern Art, the typical old houses of the town centre, the big market every saturday morning, the criss-crossing of the small streets. Here the mimosa blooms earlier than on the French Riviera, and Céret is the village which offers France its first cherries.

#### 7/ PRATS DE MOLLO Tourist Office +33 (0)4 68 39 70 83

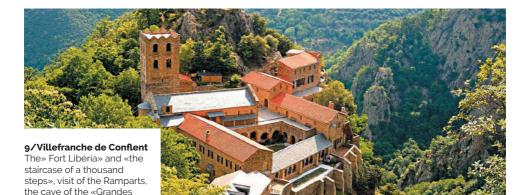

This wonderful medieval village, situated at the border of the Vallespir and very close to Spain, was for a long time torn between two kingdoms. Today it has become a peaceful area, proud of its «green tourism» with its natural reserve and its hot springs, unique in Europe.

Under the overwhelming fortress «Le Fort Lagarde»: built by Vauban, the inhabitants still practise old traditions, such as the «Feast of the Bear».

Have a walk in the natural reserve: an exceptional discovery of fauna and flora.

#### 8/ CASTELNOU Tourist Office Thuir +33 (0)4 68 53 45 72

Clinging to its craggy peak, Castelnou comes into view with the Canigou mountain in the background. Dating back the 10th century, this medieval village -undoubtedly one of the most beautiful in France- served as the military and administrative headquarters for the whole Vallespir area. It's a delight to stroll along the narrow streets between the old village houses, the scent of past times rising from their old fashioned bread ovens. Local market every Tuesday from mid June until mid September.

#### 11/Tautavel

Préhistoric museum (ask «Le Cube» for opening hours), Traditional production of honey and goats cheeses, pedestrian roads in the middle of beautiful surroundings.

#### 9/ VILLEFRANCHE DE CONFLENT Tourist Office +33(0)4 68 05 41 02

Canalettes»: visit with sound

This spectacular city, erected in the Middle Ages to defend the Têt Valley, was fortified by Vauban (Louis XIV's military architect) in the 17th century. The fact that the city was built with pink marble makes it especially unique. While visiting the outer ramparts, have a look at the «staircase of a thousand steps» which leads to Fort Libéria itself.

The little yellow train: the tracks of this legendary local train climb dramatically from Villefranche de Conflent to the highest station in Europe at Bolquère (up to 1500m.) and meanders across the «Plateau de La Cerdagne», crossing wonderful landscapes and daring viaducts. For more information, please contact the railway station of Villefranche de Conflent: +33 (0)4 68 96 63 62.

#### 10/ VERNET LES BAINS Tourist Office +33(0)4 68 05 41 02

This town situated beneath the Canigou foothills and crossed by the torrent Cady, is one of the most beautiful of this valley. The old city offers visitors its picturesque sloping streets with flowery houses.

Worth a visit:

St-Jean's day on June 23rd with the arrival of the flame from the Canigou peak.

Departure point for hiking and trekking up to

«Le Canigou». Visit the St-Martin de Canigou Abbey (4th century) this wonderful abbey is situated on the mountainside of «Le Canigou». You can admire its white, pink and green marble capitals, but also the wonderful surrounding landscape.

#### 11/ TAUTAVEL Tourist Office +33(0)4 68 29 49 50

450 000 years ago, vineyards were already growing on this prehistoric site. Heady and rich coloured wines are produced here from the old traditional grape varieties which develop complex aromas with hints of vanilla and liquorice.

The «Man of Tautavel» - the oldest European (dating back about 450 000 years) - was discovered close to Tautavel village, in the Arago cave, which houses one of the biggest prehistoric sites in the world. The new European Prehistoric Times Centre offers prehistory and palaeontology exhibitions.
