ARTISANS OF HAPPINESS

WE ARE THE  
**ARTISANS  
OF HAPPINESS**

## Each Yelloh! Village is unique

**NO TWO OF OUR CAMPING VILLAGES ARE ALIKE AND YET THEY ARE ALL DRIVEN BY THE SAME PASSION: OUR HOLIDAYMAKERS' HAPPINESS.**

Each of these campsites is different, each has its own soul, its own spirit... and most importantly, we want our home to be your home.

Our Yelloh! Village sites are holiday destinations, places where thousands of little touches are added each day, depending on the mood, the weather, the location... and on you too!

Every hour, we do something different, every week, every season is a new challenge for us. We shape, refine, improvise, we create the conditions for your happiness with a single goal in mind: to see you together, relaxed, refreshed, happy... as a couple, as a family or with friends.

*And that's why we call ourselves Artisans... the Artisans of your Happiness. 😊*

## Welcome to Brasilia

**Le Brasilia celebrates its 60th anniversary this year. There will be lots of fun and conviviality.**

Since 1964, Le Brasilia has been a setting in which nature rules; one in which it is respected and cherished, and which is combined with a family atmosphere that is constantly attentive to the needs of all our guests.

These core values form the basis of what we do and our approach to doing it. Le Brasilia was born and brought up beneath the Catalan sun, and is well-known as one of the best luxury campsites in Europe; one with a fine history that really knows what is expected and desired by the customers who come here: quality, convenience and availability, with kind staff who is there to assist you from the moment you arrive until the moment you go home. **Enjoy your stay in Brasilia!**
