ARTISANS DU BONHEUR

NOUS SOMMES LES ARTISANS DU BONHEUR*

Chaque Yelloh! Village est unique

AUCUN DE NOS CAMPINGS-VILLAGES NE SE RESSEMBLE ET POURTANT TOUS PARTAGENT LA MÊME PASSION : LE BONHEUR DES VACANCIERS.

Nous sommes **101 propriétaires de campings**, indépendants et réunis sous les mêmes couleurs depuis 2000 : Yelloh! Village. Chacun de nous a sa propre personnalité, son caractère bien affirmé, et pourtant, un point commun nous rassemble : **nous aimons les gens**. Nous vous aimons.

C'est à vous que nous pensons lorsque nous préparons la saison à venir. Quand nous concevons un nouveau quartier Premium, agrandissons une piscine, choisissons un toboggan encore plus spectaculaire, décorons le restaurant, imaginons un service pour simplifier vos vacances, lançons une nouvelle animation ou plantons 200 arbres fleuris... Vous êtes notre source d'inspiration pour être et rester les plus beaux hôtels de plein air.

Chaque Yelloh! Village est unique, et cela ne changera jamais. Nous continuerons à cultiver nos différences et à faire vivre nos passions, parce que nous croyons en un monde riche de personnalité. Les petits bonheurs de vos vacances naissent de moments spontanés, de relations humaines sincères, d'une écoute attentive, de gestes bienveillants et d'attentions discrètes qui créent de grands souvenirs.

C'est en cela que nous aimons nous définir comme des Artisans, des Artisans du Bonheur.

Each Yelloh! Village is unique

NO TWO OF OUR CAMPING VILLAGES ARE THE SAME AND YET THEY ALL SHARE ONE PASSION: OUR HOLIDAYMAKERS' HAPPINESS.

We are **101 campsite owners**, all independent and all united under the Yelloh! Village banner since 2000. We each have our own personality and our own quirks, and yet we all have one thing in common: **we love people**. We love you!

And we've been preparing the next season with you in mind. When we design a new Premium area, extend a swimming pool, choose an even more spectacular waterslide, decorate a restaurant, conceive a service to make your holiday even easier, introduce a new activity or plant 200 blossoming trees... YOU are at the heart of it all, inspiring us to be—and to remain—the most beautiful outdoor destination.

Each Yelloh! Village is unique and that will never change. We will continue to celebrate our differences and to pursue our passions, because we believe in a world that thrives on individuality. The simple joys of a holiday are found in spontaneous experiences, authentic connections, genuine attentiveness, acts of kindness and thoughtful touches that create lasting memories.

And that's why we call ourselves Artisans... Artisans of Happiness.

WELCOME !!

All electric power outlets must conform and comply with current safety standards. **It is strictly forbidden to charge your car on your pitch.**

The management cannot be held responsible for theft on the campsite. The presence of any suspicious figure must be reported immediately to the reception desk. Although the campsite is guarded, we advise all campers to watch their belongings.

7) DOGS ARE ALLOWED BUT MUST REMAIN ON A LEASH ON THE CAMPGROUND. Dogs must not be left alone, not even tied up! The owner is responsible at all times. Tattoo or chip and valid rabies vaccination are mandatory and must be proven by a vaccination card.

For the sake of all guests, please, walk your dog regularly outside the campsite grounds or inside the area reserved for this purpose. Waste bags are freely available for you to **clean up after your dog**, even in designated dog areas.

1st category dogs are banned. The second category of dogs must be muzzled and leashed by an adult.
